Camp is structured for children who haven't been to camp before, and provides the security of having one of their parents along for the experience. The activities and faith-based sessions are created with both the children and adults in mind. It is a great camp for parent-child bonding and creating special memories. This camp also helps to acquaint children with the camp so they will be prepared for many years of camping to follow.

JUNIOR CAMP

July 25-29, 2022

Price: \$230

Campers spend time in the woods each day around campfire pits in small family type groups to engage in discussion and prayer time. Lively worship and inspiring speakers lead campers to learn more about Jesus. Cabin groups are assigned set up and clean up duties for meals to teach responsibility and serving. Crafts and recreation such as swimming, waterslide and hikes to White Branch Falls are also a fun part of the week.

They will learn that by working together in a team they can achieve more than they could alone. Fun activities, swimming, hikes and crafts are planned to fill each day and encourage working together. The theme dinner this year will be Luau so be sure to bring your flowered shirt, shorts, and flower lei's.
